
Mobile Check In

1. Install the Mobile Check In app from the Apple or Google Play Store.

2. Create a profile in the app which will be used for all future check ins.

3. Fill in the profile fields

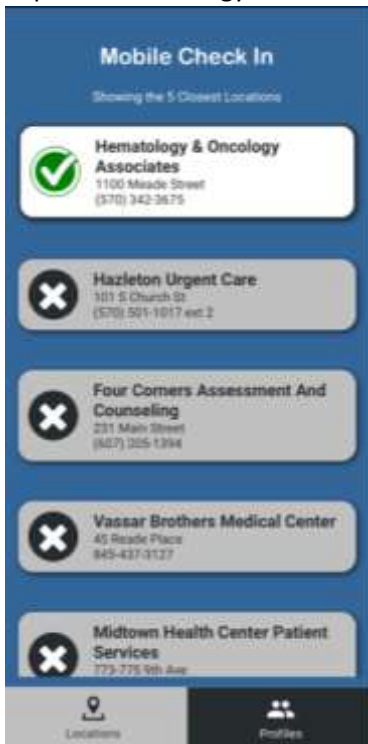

The image shows the 'Create a Profile' form in the app. The form has a blue header with a back arrow and the text 'Create a Profile'. The fields are: 'First Name' (with 'Brad' entered), 'Last Name' (with 'Text' entered), 'Phone' (with '(670) 675-0100' entered), 'Email' (empty), 'Date of Birth (MM-DD-YYYY)' (with '01-01-1980' entered), and 'Address' (with 'Street Address' entered). There are also fields for 'City', 'State', and 'Zip'. A 'Save Profile' button is at the bottom.

4. Save the profile

5. The profile will now be listed under My Profiles.

6. Tap the Hematology and Oncology Associates location

7. Select your profile

8. Fill in the form including a reason for visit and select Check In.
